Report to the Kentmere Parish Meeting, 9th May 2016

The television scheme's Annual Report and Accounts for 2015 were circulated to parishioners at the beginning of February this year. Anyone who has not received a copy and would like one, please let me know and I will see that it is delivered to them.

Briefly, the report said that it had been an uneventful year for the scheme and that subscriptions were being held at £30 per household for 2016. Since then, we have received contributions from 19 households, including some who have not donated for a while because they do not actually need our signal. We would be grateful if those who have not yet contributed for this year could do so as soon as possible. Payment can be made by cash or cheque to any of the committee named above, or by direct bank transfer to: Television for Kentmere, sort code 30-14-40, account number 002077494

When the television scheme was first suggested 34 years ago, it was specifically done so as a community scheme and it is good to find that a significant number of residents continue to support it, even if they do not require it for their own TV reception.

Max Biden

Secretary,
