Normally when there is a fifth Sunday in the month, it will be a special service of some sort and extra flower arrangements are usually put together to make an even bigger "show". If you would like to volunteer for one or more of those days, please get in touch.

All of the vases, etc. needed for the regular arrangements are now stored in the cupboards in the corner behind the font along with water and cleaning materials, so unless you need to use the pedestals, there should be no need for a key to the vestry.
